SUMMARY OF IMPORTANT INFORMATION

Your duty to take reasonable care not to make a misrepresentation

Before you take out, renew or alter a policy of insurance with us, you have a duty to take reasonable care not to make a misrepresentation when providing your answer to any question we may ask and which are relevant to our decision whether to insure you or anyone under the policy and on what terms.

Your duty to take reasonable care means you have an obligation to take reasonable care to be honest, accurate and complete in the answers to each question we specifically ask when you apply for, renew or alter your policy that might affect whether we agree to insure you and on what terms.

The information you tell us can affect:

- the amount of your premium; and
- if we will insure you; and
- if any special conditions apply to your policy.

If you do not take reasonable care not to make a misrepresentation when answering our questions which are relevant to our decision whether to insure you or anyone else under the policy and if so, on what terms, we may reduce a claim, refuse to pay a claim, cancel your policy or, if fraud is involved, treat the policy as if it never existed.

Exclusions for new policies

We do not insure you for any loss and damage caused by bushfire, storm or rainwater runoff (including cyclone), flood (including water runoff) earthquake or tsunami within the first 72 hours of your policy commencing unless:

- your policy commenced immediately after another policy covering the same property expired; or
- your policy was renewed without a break in cover; or
- you have just purchased the home.

For full details see the general exclusions on pages 40-43.

More than one named insured

If there is more than one named insured on your Certificate of Insurance, we will treat a statement, act, omission, claim, request or direction (including to alter or cancel your policy) made by one of the named insureds as a statement, act, omission, claim, request or direction by all the named insureds on your Certificate of Insurance. Each person is treated as a joint policyholder and is able to make any changes to the policy other than to remove the name of another insured.

Proof of ownership

We may require some evidence of your ownership of lost or damaged items and recommend that you store all proofs of

ownership and records of the value of any items insured under *your policy* in a safe place so that *you* can provide us with copies at any time in support of *your claim*.

Your responsibilities

You must:

- keep *your home* and *contents* well-maintained and in *good condition*. For the meaning of 'good condition' please refer to 'Words with special meanings - Definitions' on pages 57-60;
- maintain locks and alarms in good working condition, especially where we have relied on *your disclosure* or representation that a burglary security system and/or monitored smoke detectors have been installed when deciding whether to accept the risk of providing insurance cover to *you*;
- take all reasonable care to prevent theft, loss or damage to the property insured under *your policy*;
- comply with all the terms and conditions of *your policy*;
- provide honest and complete information whenever *you* make a claim, statement or provide any document to *us*;
- ensure that *your home* complies with all applicable local government and/or statutory requirements at all times.

Not meeting your responsibilities

If you do not meet your responsibilities, we may:

- reduce *your claim*; or
- refuse to pay *your claim*; or

- cancel *your insurance policy*.

You must contact us when:

- any detail on *your Certificate of Insurance* is no longer accurate, such as the *insured address*;
- *you* start or intend to operate or there is any change to a *business activity* at the *insured address* including:
 - the type of *business activity*; and
 - the physical attendance of customers and/or suppliers at the *insured address*; and
 - the installation of any *business signage*; and
 - the storage of any chemicals.
- *you* purchase a new *home*;
- the *home* ceases to be occupied for more than 60 days;
- *you* move out and then let/rent/lease *your home* to *tenants* whether full-time, short-term or casually or for reward;
- *you* commence building or *renovations* at the *insured address*;
- *you* intend to demolish *your home* or have lodged an application to demolish *your home* or a government authority has issued a demolition order for *your home*;
- a trespasser or an unauthorised person commences to occupy *your home*;
- anything else that a reasonable person would regard as increasing the risk of loss, damage or injury occurring at the *insured address*.

What we will do when you contact us

When *you* contact *us* and tell *us* about any changes to *your policy*, we may decide to impose an additional excess, charge an additional *premium* or apply a special condition to *your policy*. In some cases, we may decide to no longer insure *you* and will cancel *your policy*.

When changing insured address

When *you* permanently change *your residential address* within Australia we will continue to provide cover of any loss or damage to *your contents* caused by an insured event which occurs during the period of insurance at both *your insured address* and *your new address* for up to 14 days from the date any of *your contents* first arrive at *your new address*.

The most we will pay for *your contents* at any or all locations is the general *contents sum insured* listed in *your policy*. All conditions, limits and exclusions referred to in *your policy* apply to this cover.

You must contact *us* before the expiration of 14 days from the date any of *your contents* first arrive at *your new address* to change *your insured address* if *you* want *your contents* cover to continue. If *your contents* have been located at *your new address* for more than 14 days, all cover for *your contents* under this *policy* ends unless *you* have contacted *us* to change *your insured address* and we have agreed to continue cover and *you* have paid *us* any extra *premium* we have requested.

As Sure Insurance only offers *home* and *contents* insurance to policyholders in specific regions of Queensland, *you* will need to arrange alternative insurance if *you* no longer reside in one of those regions.

Your premium

Your premium is the amount *you* are required to pay *us* for the requested insurance cover by the due date, including GST, together with any applicable government charges or levies. The *premium* and due date will be shown on *your Certificate of Insurance*. Where *you* have elected to pay *your premium* monthly, this will also be shown on *your Certificate of Insurance*.

If *you* do not pay *your premium* for *your new policy* or renewal by the date shown on *your Certificate of Insurance* (whether annual or monthly) we will provide *you* a written notice of cancellation of *your policy* as required by law.

If we agree to accept *your late payment* of the insurance *premium*, we will only recommence *your cover* from the date the late payment was received by *us* and *you* will not have any insurance cover from *us* between the original due date for payment of *your premium* until the date we agree to recommence *your cover*.

Please refer to 'About the cost of the product - Your premium' on page 50 of *your policy*.

Complaints procedure

We aim to provide an excellent service to all our customers. However, we recognise that things can occasionally go wrong. If they do, we will do our best to manage *your complaint* effectively and quickly. Please contact *us* regarding *your complaint* on 1300 392 535 or complaints@sure-insurance.com.au.

LIMITS FOR HOME COVER

The maximum we will cover you for any one insured event resulting in a claim is the sum insured shown on your Certificate of Insurance unless stated elsewhere in this policy. This includes:

YOUR HOME SUM INSURED

Your *home* sum insured is the amount you choose to cover your *home*. It is important that you choose a *home* sum insured that is sufficient to cover the likely cost to rebuild your *home* if it is totally destroyed by an insured event such as a fire.

We recommend that when you decide on your *home* sum insured you should consider:

- the likely cost to rebuild your *home* based on the current cost of materials and labour and not rely only on your *home*'s market value; and
- any additional costs to rebuild your *home* to comply with current building laws, which may increase the total building costs.

To help you calculate a replacement value for your *home* and/or *contents*, we provide you with a link to a 'Building Calculator' and a 'Contents Calculator', which are initiatives of the Insurance Council of Australia and which you can access via our website sure-insurance.com.au.

You can ask us to change your *home* sum insured at any time. It remains your

responsibility to regularly review your sum insured to make sure it provides the right amount of cover for your *home*.

Following payment of a claim, other than for a total loss claim, your sum(s) insured will remain unchanged unless you request otherwise.

Increases to your home sum insured at renewal

We will show your *home* sum insured on each Certificate of Insurance we issue.

If we send you an offer to renew your *policy*, we will automatically increase the *home* sum insured by the *uplift rate* to protect your sum insured against the effects of increasing costs.

However, the automatic increase we offer is not a representation by us that your *home* sum insured is adequate to fully cover any loss or damage to your *home*.

Even though we will automatically offer you that increase in cover, you do not have to accept it.

You can also ask us to increase or decrease your *home* sum insured at any time.

YOUR CONTENTS

If *contents* is shown on your Certificate of Insurance, we will cover you for loss or damage to your *contents* as a result of an insured event occurring at the risk address shown on your Certificate of Insurance during the period of insurance, including:

Increases to your contents sum insured at renewal

If we cash settle *your home* claim and *your home* is mortgaged or financed to a credit provider or financier named on *your* Certificate of Insurance *you* authorise *us* to pay some or all of the claim amount to the credit provider or financier.

Any payment we make to a credit provider or financier when we cash settle *your* claim will reduce the amount we are required to pay to *you* for *your* claim by an equal amount.

If the sum we pay to *your* credit provider or financier is less than the sum for which we decide to settle *your* claim, we will pay *you* the balance of the claim amount.

EXCESS

Your excess is the amount you are required to pay to us whenever you make a claim. Your Certificate of Insurance sets out the excess amounts you will need to pay.

If you claim on more than one type of insurance cover for the same incident, you will only have to pay the highest applicable excess. For example, if you have both *home* and *contents* cover and both your *home* and *contents* are damaged by the same insured event, you will only be required to pay the higher excess from both policies.

Burglary or theft by a tenant or their guest

If you make a claim for burglary or theft by a *tenant* or their guest an additional \$2,000 burglary or theft by a *tenant* or their guest excess applies in addition to your standard excess.

Malicious damage by a tenant or their guest

If you make a claim for malicious damage by a *tenant* or their guest an additional \$2,000 malicious damage by a *tenant* or their guest excess applies in addition to your standard excess.

No excess payable

When you make a claim for loss or damage to your *home* or *contents* and the incident covered by your *policy* was caused by a person who did not permanently or temporarily reside with you at the *insured address*, no excess will be payable by you if you provide us with the name and address

of the person responsible for causing the loss or damage or, if applicable, their vehicle registration details.

How to pay your excess

When you make a claim, we will notify you whether we will deduct any applicable excess from the amount we pay you or will direct you to pay the excess to us or our nominated repairer or supplier during the management of your claim.

FRAUD

At Sure Insurance, we actively investigate any potentially fraudulent or inflated claim in an effort to ensure that insurance is fair for all of our policyholders. Any claim we regard as being potentially fraudulent or excessively inflated will be investigated and may be reported to the police.

To report any suspected fraud, please call us on 1300 392 535.

ABOUT THE COST OF THE PRODUCT - YOUR PREMIUM

Your premium is the amount you have to pay to us for your *policy* and includes any compulsory government or statutory

charges, levies, duties, GST and taxes that may apply.

HOW WE CALCULATE YOUR PREMIUM

There are a number of factors we take into account when determining your insurance premium, which include:

- pricing factors; and
- *policy* optional extras; and
- any applicable discount; and
- any fees (including fees attributable to payment of your premium by instalments); and
- any statutory charges.

At Sure Insurance, we believe that the cost of insurance should be fair and reasonable, which is why we use a number of reliable indicators to accurately assess your risk and to calculate your premium.

The following pricing factors may be taken into account when determining your premium:

- the sum insured requested for your *home* and/or *contents*;
- the physical address of your *home*;
- the age of your *home*;
- the materials used to construct your *home*;

- the use of your *home*;
- the age of each proposed insured person;
- the bushfire risk at the physical address of the *home* or where your *contents* are located;
- the cyclone risk at the physical address of the *home* or where your *contents* are located;
- the flood risk at the physical address of the *home* or where your *contents* are located;
- the security risk at the physical address of the *home* or where your *contents* are located.

You may add any or all of the nominated optional extras below by paying an additional premium.

- Home Insurance
 - Accidental damage - home

- Contents Insurance
 - Accidental damage - contents
 - Specified contents away from the home
 - Unspecified contents away from the home

Premium discounts

We will automatically calculate any discount to which you are entitled based on the information you provide to us. We show any discounts we apply on your Certificate of Insurance.

We do not apply any discount to any government levy, duty, GST or other statutory charge included in your premium.

You may be eligible for a premium discount in the following circumstances:

- for combining your home and contents cover on the one policy; or
- an auto club discount based on your membership level of a recognised auto club; or
- a bushfire mitigation discount; or
- a cyclone mitigation discount; or
- a flood mitigation discount; or
- a security mitigation discount; or
- a loyalty discount based on the period of time you have been a customer of Sure Insurance.

Visit sure-insurance.com.au for details of discount rates.

Monthly instalment payments

To help you to manage the annual cost of your insurance, you can request that we automatically deduct your annual premium in monthly instalments from your nominated bank account or credit/debit card.

If you elect to pay your premium by monthly instalments, we may charge a monthly management fee in addition to your annual premium and will debit that fee each month as part of your regular instalment payment. The total amount payable will be more than if you pay your premium annually as a single payment.

Your Certificate of Insurance shows any additional fees that applies to your monthly instalment policy.

Any premium discounts we provide do not apply to the additional fee we charge for managing your monthly instalments.

If you are paying your premium by instalments, please refer to the Direct Debit Request Service Agreement incorporating your direct debit authority, which sets out the terms and conditions applicable to your instalment payment arrangement. This can be found on our website at sure-insurance.com.au.

If you wish to alter, delay or cancel your direct debit authority with us, please contact us at least 10 days prior to your next debit date. If you do not do so, we will not be able to implement your instructions until the following month.

Overdue instalments

You are responsible for ensuring your account has sufficient cleared funds to pay each direct debit on the day it falls due.

If there are insufficient funds in your account on the date we attempt to debit your account with your monthly premium or your financial institution dishonours the debit, we may pass on to you any fees or costs we have incurred.

We recommend that you tell us immediately if you change or close your nominated account or if you will not have sufficient funds in your nominated account available on the day your next instalment payment is due.

If any monthly instalment payment is overdue, we can do one or both of the following:

- refuse to pay your claim if any instalment is more than 14 days overdue;
- cancel your policy without notice to you in advance if an instalment is more than one month overdue.

Weekends or public holidays

Any payment from you to us that falls due on a weekend or public holiday will be debited the next business day.

Policy renewal

When we decide to renew your policy, we will send you a Renewal Certificate of Insurance not less than 14 days before the expiry of your current policy to enable you to check the details that will apply for the new period of insurance.

If you do not require any changes to

be made to your policy cover and you pay your premium by monthly installments, you authorise us to continue to deduct your new monthly payments during the new period of insurance.

If you do require any changes to be made to your policy cover please contact us prior to the expiry of your current policy.

PAYMENTS AND REFUNDS

Any payments or refunds paid by us to you will be made via electronic funds transfer to your nominated account. We do not issue cheques or make payments in cash.

COMPLAINTS

At Sure Insurance, we will attempt to resolve any complaint or dispute you may have as quickly as possible.

The steps we set out below are part of our complaint and dispute resolution process, the details of which are available by either:

If *your* insurance cover is cancelled after the cooling-off period, we will deduct from any annual premium you have paid:

If you pay *your* premium by monthly instalments, you will not be entitled to any refund of *your* premium.
