SUMMARY OF IMPORTANT INFORMATION

Your duty to take reasonable care not to make a misrepresentation

Before *you* take out, renew or alter a policy of insurance with *us*, you have a duty to take reasonable care not to make a misrepresentation when providing *your* answer to any question *we* may ask and which are relevant to *our* decision whether to insure *you* or anyone under the policy and on what terms.

Your duty to take reasonable care means *you* have an obligation to take reasonable care to be honest, accurate and complete in the answers to each question *we* specifically ask when *you* apply for, renew or alter *your* policy that might affect whether *we* agree to insure *you* and on what terms.

The information *you* tell *us* can affect:

- the amount of *your* premium; and
- if *we* will insure *you*; and
- if any special conditions apply to *your* policy.

If *you* do not take reasonable care not to make a misrepresentation when answering *our* questions which are relevant to *our* decision whether to insure *you* or anyone else under the policy and if so, on what terms, *we* may reduce a claim, refuse to pay a claim, cancel *your* policy or, if fraud is involved, treat the policy as if it never existed.

Exclusions for new policies

We do not insure *you* for any loss and damage caused by bushfire, storm or rainwater runoff (including cyclone), flood (including water runoff) earthquake or tsunami within the first 72 hours of *your* policy commencing unless:

- *your* policy commenced immediately after another *policy* covering the same property expired; or
- *your* policy was renewed without a break in cover; or
- *you* have just purchased the insured address.

For full details see the general exclusions on pages 36-39.

Requests from you

We will treat a statement, act, omission, claim, request or direction (including to alter or cancel *your* policy) made by any person with legal authority to act on behalf of the *body corporate* as a statement, act, omission, claim, request or direction by the *body corporate*.

Proof of ownership

We may require some evidence of *your* ownership of lost or damaged items and recommend that *you* store all proofs of ownership and records of the value of any items insured under *your* policy in a safe place so that *you* can refer to them and provide *us* with copies at any time in support of *your* claim.

Your responsibilities

You must:

- keep *your building and common contents* well-maintained and in *good condition*. For the meaning of 'good condition' please refer to 'Words with special meanings - Definitions' on pages 53-58;
- maintain locks and alarms in good working condition, especially where we have relied on *your disclosure* or representation that a burglary security system and/or monitored smoke detectors have been installed when deciding whether to accept the risk of providing insurance cover to *you*;
- take all reasonable care to prevent theft, loss or damage to the property insured under *your policy*;
- comply with all the terms and conditions of *your policy*;
- provide honest and complete information whenever *you* make a claim, statement or provide any document to *us*;
- ensure that *your building* complies with all applicable local government and/or statutory requirements at all times.

Not meeting your responsibilities

If *you* do not meet *your responsibilities*, we may:

- reduce *your claim*; or
- refuse to pay *your claim*; or
- cancel *your insurance policy*.

You must contact us when:

- any detail on *your Certificate of Insurance* is no longer accurate, such as the *insured address*;
- *you* start or intend to operate or there is any change to a *business activity* at the *insured address* including:
 - the type of *business activity*; and
 - the physical attendance of customers and/or suppliers at the *insured address*; and
 - the installation of any *business signage*; and
 - the storage of any chemicals.
- *you* commence *building or renovations* at the *insured address*;
- *you* intend to demolish *your building* or have lodged an application to demolish *your building* or a government authority has issued a demolition order for *your building*;
- a trespasser or an unauthorised person commences to occupy *your building*;
- anything else that a reasonable person would regard as increasing the risk of loss, damage or injury occurring at the *insured address*.

What we will do when you contact us

When *you* contact *us* and tell *us* about any changes to *your policy*, we may decide to impose an additional *excess*, charge an additional *premium* or apply a special condition to *your policy*. In some cases, we may decide to no longer insure *you* and will cancel *your policy*.

When changing insured address

As Sure Insurance only offers *Residential Strata Title* insurance to policyholders in specific regions of Queensland, *you* will need to arrange alternative insurance if *you* no longer reside in one of those regions.

Your premium

Your premium is the amount *you* are required to pay *us* for the requested insurance cover by the due date, including GST, together with any applicable government charges or levies. The *premium* and due date will be shown on *your Certificate of Insurance*. Where *you* have elected to pay *your premium* monthly, this will also be shown on *your Certificate of Insurance*.

If *you* do not pay *your premium* for *your new policy* or renewal by the date shown on *your Certificate of Insurance* (whether annual or monthly) we will provide *you* a written notice of cancellation of *your policy* as required by law.

If we agree to accept *your* late payment of the insurance *premium*, we will only recommence *your cover* from the date the late payment was received by *us* and *you* will not have any insurance cover from *us* between the original due date for payment of *your premium* until the date we agree to recommence *your cover*.

Please refer to 'About the cost of the product - Your premium' on page 46 of *your policy*.

Complaints procedure

We aim to provide an excellent service to all our customers. However, we recognise that things can occasionally go wrong. If they do, we will do our best to manage *your complaint* effectively and quickly.

Please contact *us* regarding *your complaint* on 1300 392 535 or complaints@sure-insurance.com.au.

If you are registered or required to be registered for GST

You must tell us your Australian Business Number (ABN) and the ITC you are entitled to receive for *your premium* and *your claim* each time you make a claim.

If you do not give us this information or provide us with the incorrect ITC, we will not pay any GST liability you incur.

When we pay a claim, *your* GST status will determine the amount we pay you and *your* claim settlement amount will be adjusted to allow for any ITC entitlement. This applies to any amount we pay, including where we advise that an amount will include GST.

If that is not possible, we will pay you a cash sum equivalent to the reasonable cost to repair, rebuild or replace *your building* to its condition when it was either new or last renovated, altered or restored.

If it is not possible to repair or replace stolen or damaged *common contents* we will pay you either the replacement value or the sum insured for that item, whichever is the lesser.

Rebuilding at an alternative location

You may choose to have *your building* replaced at another site if it is a total loss.

Choice of repairer

In consultation with you, we will nominate and engage the repairer or supplier to be used to repair, rebuild or replace *your building*.

If you pay your premium by monthly instalments, you will not be entitled to any refund of the premium you have paid.

We do not charge a cancellation fee.

If we cash settle your building claim and your building is mortgaged or financed to a credit provider or financier named on your Certificate of Insurance you authorise us to pay some or all of the claim amount to the credit provider or financier.

Any payment we make to a credit provider or financier when we cash settle your claim will reduce the amount we are required to pay to you for your claim by an equal amount.

If the sum we pay to your credit provider or financier is less than the sum for which we decide to settle your claim, we will pay you the balance of the claim amount.

Where you have not told us a lot will be unoccupied for less than 60 consecutive days, we will apply an unoccupied excess as shown on your Certificate of Insurance for any loss, damage or legal liability to or arising from an unoccupied lot.

The period of unoccupancy for the purpose of this policy is deemed to commence on the day a building became unoccupied and to end when you or someone nominated by you has occupied the building or lot for at least two consecutive nights.

You may be required by us to prove the occupancy of a building or lot in the event of a claim, which may require you to provide supporting evidence to us, including proof of the use of utilities supplied to that building, such as electricity, gas and internet. We may also request additional evidence of occupancy from you to decide whether an unoccupied premises excess applies.

An unoccupied premises excess is payable in addition to any other excess that may apply to your claim.

For example, if you have both *building* cover and *common contents* cover and both your *building* and *common contents* are damaged by the same insured event, you will only be required to pay the higher excess except in some circumstances we may apply a per *lot* Special, Imposed, Risk or Peril Excess to a defined or nominated Event.

If we apply a per *lot* Special, Imposed, Risk or Peril Excess, it will be specified in your Certificate of Insurance. Any Special, Imposed, Risk or Peril Excess may apply in the aggregate to each *lot* or *lot* Owner.

No excess payable

When you make a claim for loss or damage to your *building* and/or *common contents* and the incident covered by your *policy* was caused by a person who did not permanently or temporarily reside at the *insured address*, no excess will be payable by you if you provide us with the name and address of the person responsible for causing the loss or damage or, if applicable, their vehicle registration details.

How to pay your excess

When you make a claim, we will choose whether to deduct any applicable excess from the amount we pay you or will direct you to pay the excess to us or our nominated repairer or supplier during the management of your claim.
